

Target Laser is proud to announce it is now certified as an **ISO:9001-2015** compliant organization.

This achievement demonstrates Target Laser's commitment to high quality products and services for our customers, vendors and all interested parties.

Being **ISO:9001-2015** certified is a great endorsement of Target Laser's commitment to continuous improvement and complements our expanding efforts to compete in a worldwide market.

To maintain our certification, Target Laser will have annual audits of our policies and processes to ensure we continue to meet the International standard and provide the same high quality in the future.

We wish to thank our team, customers, vendors and agents for their efforts in this endeavor.
